

Quarterly Reporting/Prospective Budgeting Questions and Answers

Question: What is the policy for handling Inter County Transfers or recipients moving from an MRRB county to a QR/PB county and vice versa?

Response: County A will continue to use their county's budgeting methodology and reporting cycle until the end of the transfer period. When County B assumes responsibility for the newly transferred case, County B will establish the new benefit amount based on their budgeting methodology and using their reporting cycle. When a case transfers from a QR/PB county to an MRRB county, the MRRB county must use prospective budgeting to determine the first two months of aid/benefits, similar to how a new application is handled.
